## HOME PAGE

Backdropped on a 1920 x 1080 background (not finalised), with the main body being 1024 x 768.

MENU

Menu page with a form to provide purchase option for delivery. The picture currently shows only four items, but will contain more items in the final iteration. There is a scrollbar for the body as it will be too long for most devices.

FAQ

The final FAQ page will contain more questions and answers than shown in the picture. There is a scrollbar for the body as it will be too long for most devices.
